COUNTRY ROCK BAND KNOWN AS THE
MÖTLEY CRÜE OF COUNTRY MUSIC

8 NATIONAL
TOURS

BIOGRAPHY

The multifaceted headlining group first formed in early 2021; however, each member has been performing twenty plus years as solo acts. Austin's music video, "Small Town Nights" was the beginning of an iconic journey. As it turns out, their diverse musical and improvisational background meshed together very well. Creating a country-soulful hybrid sound that will keep their audience on their feet.
